Cotswold Spa

Spa Treatments and Price List

freedom to unwind

Any treatment from the list below can be fitted to any number of hours and any number of therapists. All the different treatments are the same price.

The choice then is between how large is your party and the hours you want to allocate to this element of your weekend or celebration!

Remember, if you really want to indulge yourself, and self care is so important these days, that two or three hours of full body massage, an organic facial and a foot and hand treat, altogether in combination might be literally what the doctor ordered; so why not try the New Treatment Combinations or Peak Indulgence?

TREATMENT CHOICES

Full body deep tissue · Blissful back massage · Luxurious organic facials with Neal's Yard Organic products · Japanese rejuvenating shiatsu facial · Shiatsu massage · Foot and hand treats · Cherishing pregnancy massage · Hot stones massage · Whole body aroma · Indian head massage · Manicure and pedicure
